The background of the entire image is a complex, abstract pattern of glowing lines. These lines are primarily a vibrant blue, with some segments appearing as bright yellow or white. They form a network of interconnected, irregular shapes, resembling a molecular structure, a neural network, or perhaps a stylized map of a city or a celestial system. The lines vary in thickness and brightness, creating a sense of depth and movement. The overall effect is one of high energy and futuristic design.

Design Code: **TPEMOJI**

The background of the entire image is a vibrant, abstract pattern of blue flames or smoke. The colors range from a deep navy blue to a bright, almost white light blue, creating a sense of movement and intensity. The patterns are fluid and organic, resembling the way fire or smoke billows.

The image features a dense, repeating leopard print pattern. The pattern consists of dark navy blue spots and rosettes of varying sizes, some of which are filled with a light tan or beige color, set against a light cream or off-white background. The spots are irregular and scattered across the entire surface.

Design Code: **TPLEP**

The background is a vibrant orange with a pattern of numerous water droplets of various sizes. Each droplet acts as a lens, reflecting a colorful sunset scene with silhouettes of palm trees and a bright horizon. The colors within the droplets range from deep blue at the top to bright yellow and orange at the bottom, mirroring the background color.

The background is a large-scale checkered pattern with squares in shades of green, brown, and grey. Overlaid on this are several pixelated pickaxe designs. The pickaxe heads are composed of blue and dark blue pixels, while the handles are made of alternating black and light tan pixels. The pickaxes are arranged in a staggered grid: two in the top row, two in the middle row, and two in the bottom row. One pickaxe in the top right is partially covered by a text box.

A repeating pattern of various cartoon-style safari animals on a light green background. The animals include giraffes, rhinos, kangaroos, flamingos, ostriches, lions, monkeys, and crocodiles. There are also green leaves and red and white striped circular patterns scattered throughout. The animals are depicted in various poses, some standing, some lying down, and some in motion. The pattern is dense and covers the entire page.

The background of the entire image is a vibrant red color. Overlaid on this is a black line pattern that mimics Spider-Man's iconic web. The pattern consists of concentric circles and radial lines that intersect to form a series of teardrop-shaped segments. Some of these segments are white, creating a high-contrast, graphic effect. In the top right corner, there is a small blue rounded rectangle containing white text. At the bottom center, there is a larger blue rounded rectangle containing white text.
